It is the responsibility of the customer to get their core(s) to Z1 Motorsports. Z1 Motorsports does not cover costs incurred by the customer for shipping/delivery of their core(s) nor does Z1 Motorsports make/facilitate arrangements for shipping.

This form **must be completed** and sent in with your item(s) in order for Z1 Motorsports to process your credit and apply it to your account. **Any items that arrive without this completed form will be considered a gift.**

We will check in and apply credit to your account within 30 days of receiving the item(s). For your protection you should choose a method of shipping that provides tracking information. You should retain the tracking number provided by your carrier to confirm that we have received your package. You will not receive notification that we have received your package until we process the core(s) and apply credit, which may take up to 30 days. When credit is applied to your account you will receive an e-mail confirmation. Please do not contact us and ask for confirmation that we have received your cores until 30 days after the cores have arrived at our location. Phone representatives do not have access to any core credit information.
